Tata AIG ties up with APOne

Hyderabad: Tata AIG Life Insurance Company Limited has tied up with APOne, a joint venture between TCS and the Andhra Pradesh government, to enable the portal to offer insurance-related services in the state. APOne, which provides various government-to-citizen services through multiple delivery channels, would allow single window access

to services including collection of premia of Tata AIG Life Insurance holders. At present, APOne has more than 1,200 centres in the state including 300 in twin cities, according to a release.
