Brief information to all the prospective customers for obtaining new Water Supply & Sewerage Connections

- * The HMWSSB has introduced Single Window Clearance speedup the process of providing new/enhanced water supply and sewerage connections to all its customers.

Address : Dy. General Manager (Engg)
Single Window Cell,
Metro Customer Care
HMWSSB, Khairatabad, Hyderabad. (Ph. No.)

The HMWSSB requires the following documents along with application for quick process and sanction.

- a. Copy of Registered Sale Deed.
- b. Copy of the Municipal sanctioned plan.

Do you know :

- * At present plot area is the main criteria for calculating the connection charges to be deposited to HMWSSB.
- * As per HMWSSB rules, the plot area as per registered sale deed. Or

Municipal sanctioned plan which ever is higher will be adopted.

- * Sometimes customers feel that for the simple process of getting a new connection by laying a line for a few meters, the Board is charging heavily. It should be borne in mind that the Board has to not only lay lines in your street but also construct reservoirs, filter treatment works, Pumping stations and hundreds of k.m.s. of lines of various sizes before you get water at you doorstep.

Plot area in Sqm	Size of W/s connection	W/s connection charges in Rs.	Sewerage connection charges in Rs.

	1 "dia (25 mm)	66000/-	66000/-
	1½ "dia (40 mm)	100000/-	100000/-
1251 to 1750	¾ "dia (20 mm)	78000/-	78000/-
	1 "dia (25 mm)	99000/-	99000/-
	1½ "dia (40 mm)	150000/-	150000/-
	2 "dia (50 mm)	195000/-	195000/-
1751 to 2250	¾ "dia (20 mm)	104000/-	104000/-
	1 "dia (25 mm)	132000/-	132000/-
	1½ "dia (40 mm)	200000/-	200000/-
	2 "dia (50 mm)	260000/-	260000/-

Improvement/Service main charges whichever applicable will be calculated as below.

- A. Improvement charges to improve the common facilities in the area.
- Towards water supply – Rs.2500/- (Tentative amount per flat)
 - Towards sewerage – Rs.2500/- (Tentative amount per flat.)
 - For commercial complexes each 1000sft of plinth area will be considered as one unit as a flat for calculating improvement charges.
- A. If the water supply and sewer service mains are not existing in the vicinity of the premises, the actual proposed service mains cost will be levied either in proportionate of full cost as per site conditions, the party may please contact the concerned General Manager for further clarifications.

Processing Fee :

For processing the file an amount of Rs.500/- for 15mm size connection and Rs.1000/- for other sizes will be levied. This fee will be adjusted towards the charges to be paid by the applicant if the connection is subsequently sanctioned. In case, the Board is unable to give the sanction, the processing fee will be returned to the customer. In case the applicant fails to take the connection within 30 days after sanction, the amount will be forfeited by the Board.

Customer's Responsibility :

1. There is no ban on issue of new connections in the Board.
 2. Customer is not required to take the services of the broker/middle men to get a new connection.
 3. Any number of applications will be made available.
 4. Customer should take care to
 - a. Fill up the form fully
 - b. Give only correct information
 - c. Enclose all the required documents
1. Customer need not make any personnel visits to the SWC before expiry of 15 days.

The Plot area and corresponding water supply and sewerage connection charges are given overleaf.
